Dear Parents

Junior Citizens Training – Tuesday 24th March

The Year 6 pupils have the chance to take part in this interesting and worthwhile event organised by the Fire Service, St John's Ambulance, I.M.P.S., Thames Valley Police, Road Safety, Trading Standards, the District Council and other agencies.

The children will learn about personal safety and citizenship in a safe but 'real to life' environment. The event takes place at Rewley Road Fire Station in Oxford and the children will travel to the venue by coach.

The coach departs at 11:45am so the children will have an early lunch before they go. Please send your child to school with a water bottle and fruit snack as usual. The children will return by the end of school.

We are very grateful to the PTA who are generously covering the coach costs.

Permission (**required no later than Friday 20th March**) can easily be given via the MCAS app.

Many thanks

Upper School Team
