Thursday 6th March 2025

Dear Families

Red Nose Day is on Friday 21st March. We would like to invite the children to wear non- school uniform for the day. In return, we are hoping for a £1 donation to this very worthwhile cause. There will be no PE sessions on the day.

We are pleased to be able to sell a limited number of red noses. These are available from the school office from today for £2 each. Please remind your child that should they break or lose their red nose, we are unable to replace it for free.

Thank you for your ongoing support.

Best wishes

Mark Knight
