Dear Families

We are delighted to announce that we have partnered with a new local uniform supplier to provide our school uniforms. This change has been made with the goal of offering you a more affordable option while ensuring that our pupils continue to look their best.

What's New?

- **Logo and Non-Logo Options:** With a focus on lowering costs for our families, we are now offering items with or without our school logo. This allows you to select more budget-friendly options without compromising on quality or style.
- **Reduced Postage Costs:** To make shopping for uniforms easier and more affordable, our new supplier offers significantly cheaper postage rates. You can still opt for free delivery directly to the school or delivery to OX10 a cost of just £1 for OX10 and OX11 postcode areas.

The new uniforms are available now through 'Make it Mine' via the following link:

We are confident that these changes will make the process more convenient and cost-effective for everyone. If you have any questions or need assistance, please do not hesitate to contact us or the supplier directly.

Thank you for your continued support.

With best wishes
