Tuesday 25th February 2025

Dear Year 5 Families

Year 5 will be walking to the town centre to watch the annual pancake race on Tuesday 4th March. The children look forward to being part of this event and watching the Year 6 children in their race.

We will be leaving school at approximately 9:30 and returning by 11:00. For these events we do welcome parents to join us for the walk to town and back. If you are able to help, please contact your child's teacher.

Please note that the local press will be covering the event on the day and may take photos to publish that include your child. If you would rather they did not take part for this reason, please inform your class teacher this week.

Kind regards

Year 5 Team
