Head louse

Louse egg (nit) on hair

Enlarged image

Dear Families

There have been several cases of head lice in school recently. Please check your child's hair carefully and treat if necessary. Infestations can be very uncomfortable for the children and can spread quickly if all cases are not treated.

Your pharmacist will advise you on what treatment is currently recommended.

To help to avoid further infestation, please ensure that **all** children with long hair wear it tied back for school.

For further information and advice please visit the NHS web page:

[www.nhs.uk/conditions/head-lice/Pages/Introduction.aspx](http://www.nhs.uk/conditions/head-lice/Pages/Introduction.aspx)

Yours sincerely

Marc Knight
