Dear Families

The purpose of this communication from the school is to inform you of an increase in the amount we will be charging families who choose to make use of a our wraparound care provision (breakfast and after school club).

From September 2024, the cost of attending a breakfast club session will rise by 50p to £2.80.

From September 2024, the cost of attending a Fir Tree Funtime session will increase by 50p to £12.50.

Much like households, schools are facing significant and serious financial pressures. Utility bills, staffing costs and the cost of purchasing food for this provision have all risen significantly so this modest increase will go towards meeting these costs. We have strived to keep this increase to a minimum, which means the amount we charge compares favourably to other settings in Wallingford and beyond.

We hope that by informing you of these increases well in advance of September you will have the chance to plan accordingly.

With kind regards

Mr Knight
