Headteacher: Mr Marc Knight

Friday 10th May 2024

Dear Families,

At long last, we have finally experienced some warm weather! It's now a good time, therefore, to gently remind you that it is very important you send your child(ren) into school with a sun hat and having applied protective cream to their skin.

Alongside this, we ask you ensure your child has a water bottle in school each day. My colleagues and I will be encouraging children to take on water at regular intervals during the day.

For more information on keeping safe in the sun, please refer to the following link from the NHS:
<http://www.nhs.uk/Livewell/skin/Pages/Sunsafer.aspx#children>

With best regards

Mr Knight
