Dear families

We are delighted to be able to offer the children an opportunity to attend an orchestral concert at the Sheldonian Theatre, organised by the Oxfordshire County Music Service, on Friday 26th January 2024.

The children will be treated to a swashbuckling adventure on the high seas. There'll be hornpipes, mermaids and even a sea shanty or two, as the County Youth Orchestra weigh anchor and navigate their way through the stormy waters. With works by Bax, Wood and Alan Menken. Fancy dress is encouraged!

This concert aims to expose children to the different instruments and families of the orchestra and engage with a live performance. This is a particularly good experience for children who already learn instruments to further develop their understanding or equally those who just love music. We have taken children and staff previously who have thoroughly enjoyed it.

There will be a charge for this visit. The PTA will kindly be contributing towards the cost of the transport but we will be asking parents to contribute to the ticket price and travel, which is £10.00.

Unfortunately there are only a limited number of tickets available to the school and we would like to gauge the level of interest. If your child would like to attend the concert, we would be grateful if you would return the slip below to the school office by Tuesday 5th December. If we get more interest than tickets, we will draw the names of children who will attend out of a hat.

With best wishes
