Dear Families

This year, we have had an amazing start to the year with regards to sporting achievements. In only three tournaments so far, we have managed to win two and come second in the third. Two of these teams have reached the South Oxfordshire finals and the other has reached the county final. With that in mind and foreseeing future success in sporting competitions throughout the rest of the year, we have realised we would highly benefit from some additional kit! We have some kit currently available to us – but with more tournaments and teams, we have realised we are in need of more due to the significant increase in sporting participation throughout the school year.

Previously, local businesses have invested money into the school specifically to buy kit and we have in return put their logo on our kit and so advertised their business. If you are in a position to donate or would be able to make a donation towards the purchasing of new kit, we would be incredibly grateful and will do our best to pay you back in goals, tries and trophies!

Please get in contact with us if you feel you can help – any amount is hugely appreciated.

Kind regards

Nathan Wilcox
Assistant Headteacher
