

A Hope Challenge

Hope can be a wonderful **gift** to give to someone and there are lots of different ways that you could give hope. You could:

- Do litter picking or gardening
- Bake a cake for someone who lives alone
- Put a card with kind words through a neighbour's door
- Put a donation in a Foodbank collection point
- Smile at everyone you walk past on your way to school
- Say thank you to the local shop workers
- Leave a gift for the person who delivers your post
- Make sure you use a bag for life when you go shopping
- Raise money for a charity that helps people, such as the Children's Society.

Please choose a challenge to do to bring someone hope. When you have done your chosen challenge, write it on the leaf. You can cut it out, tie some string through the hole and bring it to church to hang it on our Tree of Hope at the Christingle Service.
