DESIGN AND MAKE A TABLE DECORATION

# Design a small freestanding 3D table decoration for Christmas Dinner Day

- It is to be made in school at a convenient time with your teacher
- You can work on your own or with a partner
- You may bring specific materials in from home to use
- Simple = effective, colourful. Aim for a professional, quality finish
- Lower School Arts Ambassadors will judge Upper School entries
- Upper School Arts Ambassadors will judge Lower School entries
- Judges will be looking carefully at the quality of things that you have made and how well you have assembled things
- Prizes to be awarded
- You can take the decorations home for your Christmas celebrations

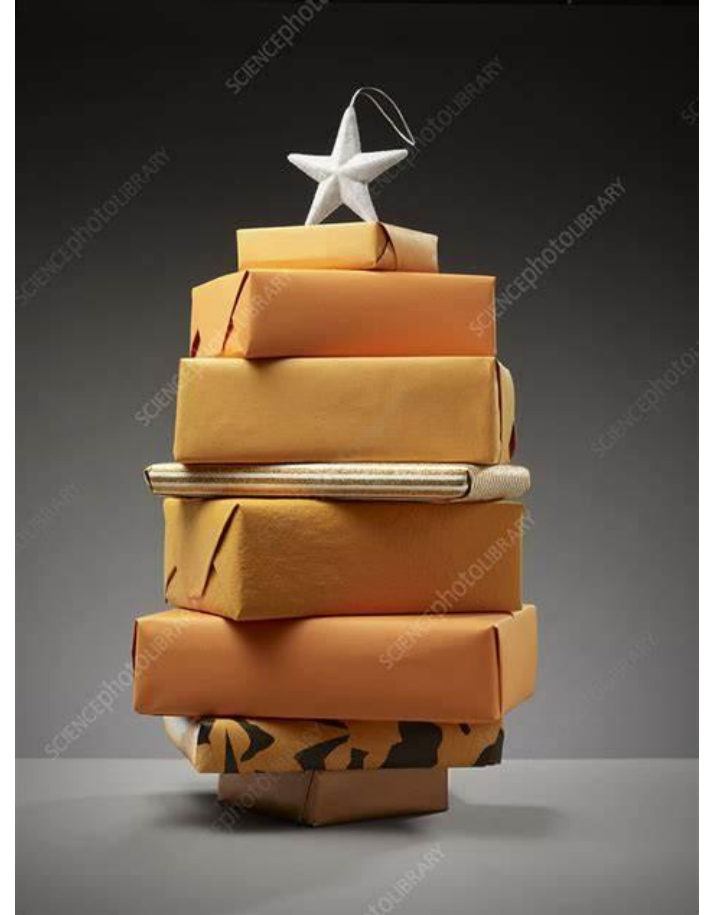

# What to do

- Research ideas
- Plan your design
- Collect the bits and pieces you will need e.g cardboard, cup,
- Make your design
- Evaluate your design
