

Fir Tree Junior School

Spending and Impact of the PE and Sports Grant Funding 2021-2022

The PE and Sports Grant Funding is an element of school funding aimed at helping primary schools to improve the quality of the PE and sport activities they offer their pupils. The funding is provided directly to schools and schools decide how best to spend this according to local needs.

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

Fir Tree Junior School Total PE and Sports Grant Funding for 2021-2022 £18110

The five indicators that schools use to secure improvement of their sports provision. Reference to the Association for Physical Education

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

1. Intended outcomes

	Intended outcomes	Success criteria and evidence
A.	All pupils to have access to the range of PE and Sports activities and have a growing knowledge and understanding of how exercise and healthy lifestyles are intrinsically linked.	All pupils access the PE and Sports activities as evidenced by the PE subject leaders monitoring and evaluation including feedback from children about healthy lifestyles and the impact of sports
B.	Teachers to have the required skills and knowledge to teach PE and Sports activities	Observations of PE and Sports lessons evidence the quality of lessons to have impact on pupil's outcomes in PE and sports
C.	Provide a range of sports for all pupils to access through lessons and after school clubs	Timetable of sports reflects the range of sports on offer in school and at school clubs
D	Increase the number of teams competing in partnership tournaments	Number of pupils attending tournaments increases and three teams are taken to events where relevant to the sport being played

2. Planned expenditure

Intended outcome	Actions	Evidence and rationale	Implementation	Spend	Evaluation and Impact
All pupils to have access to the range of PE and Sports activities	Transport to Swimming lessons at the Oratory School Pool for year 5 and 6. Weekly lessons on a rota for each year group including costs for instructors and life guards	By the end of KS2 pupils need to swim 25 meters	PE subject leader to develop the swimming timetable and monitor the achievements of the pupils from the reports by the instructors	£2400 £3528	This is the first year post covid that swimming lessons continued without closure. Our Year 6 children have made good progress in swimming this year, 87.5% can now swim 25m. Year 5 children had a continuous three terms of lessons have made good progress. They will resume their lessons next year for three terms
	Dance lessons in years 3-6	To provide pupils the opportunity to learn dance forms and perfect movements individually and in dance routines	Dance teacher to teach dance in four workshops across the spring and summer term.		We were not able to get a dance teacher due to covid. The teachers used the Dance lessons from the PE Hub resource. These will continue to be used next year.
	Yoga sessions years 3-6	To build children's coordination and fitness which will have an impact on their mental health well being	Yoga teacher to teach the sessions weekly to the year classes	£1360	Each class has had three terms of Yoga and for many children this was a completely new experience. The yoga sessions were in addition to our two hours of weekly PE. Teachers were part of these to learn the specific techniques to teach yoga which they will continue to do next year.
	Chance to Shine Cricket	To give pupils the opportunity to learn and play cricket	Cricket coach to teach cricket to years 6, 3 and 4 to develop staff CPD		The cricket sessions had a positive impact on the children. Each class took part in the sessions. Impact was evidenced in the enjoyment of the pupils and the improved skills and coordination
	Skipping workshop	To give pupils the opportunity to develop their skipping ability	Skipping workshop 1 hour per class		This did not take place this year due to unavailability.

	Sports company coaches	To give pupils the opportunity to play supervised sports at lunch time	Football coaches teach football at lunchtimes.	£160	As an alternative to the football coaches who cancelled, we bought into a coach to deliver lunchtime games. Feedback from the children was not enthusiastic enough. The sessions ceased after a term.
To provide pupils with equipment that will build skills for balance and coordination	Providing play equipment-balance beam and climbing rope	To give pupils equipment that builds coordination and skills	Children will use the equipment at playtimes and after school club		We were not able to get this and the funding was then rearranged to pay for the repairs to the trim trail ropes and climbing frame.
	Funding for the equipment at lunchtimes	To give pupils a range of equipment that builds coordination and skills	Equipment is used effectively and its use is monitored by the PE lead and supervised by staff at lunchtime		The PE subject lead ordered several pieces of equipment as stocks were low or needed replacing to ensure that there were enough resources for class PE sessions. These included: new football and rounders posts, footballs, netballs and tennis balls, class set of stop watches and cones
	Purchasing equipment when needed and replace any equipment that falls below safety standards	To ensure the range of equipment is available for the sports, allowing full access for all pupils	PE leader to conduct an inspection of the equipment termly and replace any equipment needed	£502	We invested in two outdoor gym mats as requested by the children to allow them to do outdoor gymnastics. This is positive evidence of the impact of the PE gymnastics lessons and in taking pupil feedback. Including footballs, netballs, posts, cones, bean bags and goals and
Empowering pupils to lead-Junior Active Sports Leader course	Completion of the course will train 20 year 6 pupils to lead sports including games at lunchtime	To take on leadership skills and build skills to organise sports and games with other pupils as sports leaders	The pupils complete the training and lead on sports and games	£1850	22 children achieved the Active Sports Leader accreditation. Feedback was positive from the children and we will be running this again next year. Unfortunately, due to having class bubbles at the start of the year prevented us from running as many lunchtime sessions as anticipated.

Professional development	Staff to attend training sessions to improve their skills knowledge and understanding	To use the CPD to identify further actions to improve the provision of PE and sports	Subject leader identifies the teachers after consultation for specific training in PE and sports		This spend was not used this year. However the PE lead supported staff in planning and delivering lessons
Increase cross curricular opportunities with PE	Active maths-resource for teachers to use in the class to encourage pupils to be active during learning	Research has proved that pupils need to keep active even whilst learning	Teachers to have access to the resource+ training from the PE Subject Leader	£525	We invested in this resource to encourage cross curricular links and to ensure we are moving away from sedentary learning. Teachers rate this resource and the ideas it provides to get children moving in lessons and therefore increase concentration and focus.
PE Hub Resource for teachers to access	Teachers to have access to this resource for planning and teaching	Recognised and recommended resource for schools	PE subject leader to support teachers in using the resources	£325	A valuable resource and one that is constantly being updated. This is extremely useful when assessing children in PE as it can now be done online with an ipad in the lesson.
Ensure that teams can get to the venues for the sports tournaments Virtual right now	Book transport for getting the teams to the venues	Without available transport teams would not be able to take part.	PE subject lead to plan transport in advance of the tournaments and office to book transport	£40	We used this money to fund the bus to take the rugby team to the Chairman's cup and it was also used so that two members of staff could change their insurance to business use to transport teams to other events.
Total intended spend				10690
