

Fir Tree Junior School Fir Tree Fun Time After School Club Guidance on Sickness

In the event of a child having sickness or diarrhoea, they should not attend the club for 48 hours after the last episode. Parents will be asked to collect their child if they attend sooner than the recommended time.

In the event of a child becoming unwell in the club, the parent will be contacted and asked to collect the child. The child will be placed in the school's medical room accompanied by a senior member of staff, which will either be the Headteacher, Assistant Headteacher or School Business Manager, till the parent arrives

In the event of a child having an infectious illness, then guidance will be taken from the NHS or Oxfordshire County Council as to the period of absence.

Permission for administering any medication will be in line with the school's Administering Medication policy which can be found on <http://www.fir-tree-juniors.org/policies>
